DRAFT

INDEPENDENT ACCOUNTANTS' REPORT ON
APPLYING AGREED-UPON PROCEDURES

Citizens' Fiscal Oversight Committee
Piedmont Unified School District
Piedmont, California

We have performed the agreed-upon procedures, which were agreed to by the management of the Piedmont Unified School District and the Citizen's Fiscal Oversight Committee, to review 25% of the expenditures of the 2006 General Obligation Bond funds for the period of July 1, 2008 to June 30, 2009 for the purpose of verifying if the use of the funds is within the scope of the published materials specifying the intended use of bond funds. We used election documents and District resolutions as the guidance for the intended use of the funds. For any expenditures in question, we will recommend that the District obtain the opinion of legal counsel and we will inform this committee as to the issues. Management is responsible for Piedmont Unified School District's compliance with election documents, district resolutions, and the project priority list. This engagement to perform agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and meets the compliance requirements as outlined in Subparagraph (C) of paragraph (3) of subdivision (b) of section 1 of Article XIII A of the California Constitution. The sufficiency of these procedures is solely the responsibility of those specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Financial Summary

1. The 2006 general obligation bond funds were authorized at an election of the registered voters of the District held on March 7, 2006. Agreed Upon Procedures Performed

1. Verify that the expenditure of funds are accounted for separately in the accounting records to allow for accountability.
2. Verify that the net funds from the sale of the General Obligation Bonds were deposited in total into the District's accounts by obtaining settlement statement for the new bond issue and verifying amounts deposited into the building and bond interest and redemption funds.
3. Select at least 25% of the expenditures and verify that the funds expended complied with the purpose that was specified to the registered voters of the District through election materials and district resolutions that were distributed to the voters.
4. Verify that District's internal control procedures are operating according to District policies.
5. Verify that the State and District policies were followed in the awarding of bids and expenditure of the funds.

Results of Procedures

1. The 2006 general obligation bond fund expenditures were accounted for separately in the building fund of the District.
2. There were no sales of general obligation bonds during the year.
3. Our review of the expenditures for the year ended June 30, 2009, did not reveal any items that were paid from the general obligation bond funds that did not comply with the purpose of the Bonds that were approved by the registered voters of the District on March 7, 2006. We did not request that management of the District obtain any legal opinions on expenditures for the year ended June 30, 2009.
